☐ 2. Cash and personal checks are accepted as your treatments are provided.

☐ 3. If you have dental insurance, we want you to receive the full benefit of it. Our office team can assist you in completing your insurance forms and verifying the coverage that your particular program provides. We accept assignment of your insurance payment, another service to you.
This means that you are responsible for your deductible and the portion the insurance does not cover. Remember, however that you are responsible for the account if the insurance company, for any reason, does not honor their commitment to you and to us.

☐ 5. For long term or extended payments, we offer a healthcare financing program, which once you are extended a line of credit will allow small monthly payments for the treatment received.
